Learn to Earn

...helping children learn about money management...

Blue Oaks Elementary school and the PTC are pleased to sponsor the Learn to Earn program, brought to us by Umpqua Bank and available to all students at Blue Oaks.

What is Learn to Earn? Learn to Earn was developed in 1996 by Umpqua Bank to teach students the value of saving money and to encourage life-long money management skills in grades K-8. This unique and popular program provides the convenience of on-campus banking in over 60 schools with over 6,000 student accounts. Learn to Earn is the largest save-at-school program in California.

How does it work? Students who want to participate in this program complete an application to open a savings account and bring it with their initial deposit to any banking day during the school year. Savings accounts can be opened at any time during the year with just \$1.00. Students will be given a vinyl zipper bag to carry their deposits to school, a passbook to keep track of their savings, and a "dream jar" to manage their money. Students can make deposits of any denomination into their accounts on designated banking days. Students receive a reward with each deposit.

How can I get more information? If you would like more information about the Learn to Earn program, contact Lori Quinn, Learn to Earn Chairperson, at quinninformation@comcast.net or stop by on one of our banking days. Savings account applications are available at all banking days and in the school office.

How can I help? The Learn to Earn program is completely administered by our wonderful family members who volunteer their time on banking days. If you would like to be part of this great program for our students and have some time to volunteer, please contact Lori Quinn.
