Curious about where all the fundraising money goes? Take a look at this year's [budget](#). The budget is based on the prior year's net profit. What if we end up with more money? That means we can increase the budget on a few items for next year (like paying for all field trips), or we can look at doing less fundraising. What if we end up with less money? Then we will have to cut back on items for next year, or look into more profitable fundraising.

We thrive on parent-participation and welcome your comments and feedback.

**Sincerely,
Blue Oaks PTC**
