

BLUE OAKS PTC

Working together for our students

Dear Blue Oaks Families:

The Parent Teacher Club is excited to introduce the **Campbell's Labels for Education** program to Blue Oaks. This program is a great way to get FREE merchandise for our school by collecting points from the Campbell's products you buy every day.

What do you need to do? It's easy!

Check your product labels and caps for the Labels for Education logo (see above). Labels with older Labels for Education logos are still good too! For labels, clip out the logo with UPC portion and turn them in. For products with caps, just turn in the caps. (You'll find an easy-reference summary on the other side of this sheet that you can use.) Please submit items either in an envelope, or paper or plastic bag (no staples, tape or glue please!) You can either send them to class with your child or deposit them into the collection bin in the front office. That's all there is to it!

Here's a sample of some of the many products with points that we can redeem for merchandise:

- Campbell's soups, condensed and microwave varieties
- Campbell's or Franco-American SpaghettiOs pasta
- Campbell's beans, gravies, and canned pasta
- Prego pasta sauces
- Swanson broths and canned poultry
- Campbell's tomato juice
- All Campbell's Supper Bakes Meal Kits
- Al V8 Splash Beverages
- Pepperidge Farm breads, cookies, crackers (**Goldfish too!**), and frozen products
- A complete list of products is available at www.labelsforeducation.com/eligibleproductsEN.aspx.

Most products are worth 1 point, but be sure to keep your eyes open for specially marked products that are worth 5 points!! And don't forget those bonus point offers that occasionally show up in your newspaper's coupon section! With all of us clipping & saving together, those points should add up fast. You can also help multiply our efforts by asking your friends and family to collect proofs of purchase on behalf of our school too!

If you have any questions about our Labels for Education collection drive, please feel free to email me at campbells@blueoaksptc.com. Don't forget to visit www.labelsforeducation.com for a complete list of participating products and more information about the program.

Thanks so much for your support! Together we can build a better school for our children.

Sincerely,

Peggy Abel – PTC
Labels for Education Coordinator
