	reat school has many volunteers behind it! Pl contact you by e-mail as needs arise to see if		
	<b>Brainstorming and Planning for Special Events:</b> I like to help by sharing ideas, looking at details, and giving insight to produce successful events.		
	<b>Help During School Hours:</b> I am interested in helping during school hours from time to time. Things like making copies, distributing, book fair prep, picture day, etc.		
	<b>At Home Helper:</b> I can help with assembling packets, tallying orders, cooking bake sale items, making a few phone calls, or working on event decorations all from the comfort of my home.		
	<b>Event Volunteer:</b> I am willing to assist at our Blue Oaks special events working at a booth or station for a reasonable amount of time to help ensure an enjoyable evening for those attending. (Bear Jamboree, Movie Night, Pancake Breakfast, and much more!)		
	<b>Gathering from the Community:</b> I have some connections and/or am willing to approach businesses in our community for donations to be used as auction items at our fundraisers. This can be done on my timetable prior to events, and I like that flexibility.		
	<b>Other:</b> Do you or your spouse have any special skills or expertise that might be a resource to the PTC? Please let us know, so as needs arise we can contact you.

## Why Join Blue Oaks PTC?

Blue Oaks PTC raises funds to help Blue Oaks students both academically and socially.

By joining the PTC, you help our students.

You also have a vote during our monthly meetings (2<sup>nd</sup> Thursday of each month).

## Where Does My Money Go?

Blue Oaks PTC raised more than \$53,000 last year thanks to the generosity of our families.

Have you ever wondered where the money goes?

Our funds go towards improving Blue Oaks, including:

- \$3,300 for field trips
- \$15,000 for our new electronic marquee
- \$7,000 for classroom supplies (\$12 per student)
- \$3,000 for copies and papers (think of all the worksheets that help our students learn)
- \$3,700 for curriculum, PE equipment, and AR tests
- \$5,740 for enrichment (Art Docent program, after-school clubs, school assemblies)
- \$2,500 for new metal tables for Kindergarten

New for 2014-15, we are proposing the following:

- Funding field trips (no more writing checks for field trips)
- Adding a science docent and science lab
- Providing a mobile Chromebook lab
- Replacing wood tables with metal tables and umbrellas on primary playground
